

## TABLE OF CONTENTS

EXECUTIVE SUMMARY . . . . .	ES-1
1.0 PURPOSE AND NEED FOR ACTION . . . . .	1
1.1 Project Area . . . . .	2
1.2 Current Administrative Procedures for Harvest Specifications . . . . .	3
1.3 Problem Statement . . . . .	9
1.4 Reserve TAC: The Current Process and the Need for Change . . . . .	12
1.4.1 BSAI Groundfish Reserves . . . . .	12
1.4.2 GOA Groundfish Reserves . . . . .	13
1.5 Updating FMP language. . . . .	13
1.6 Objectives of this Action and Considerations . . . . .	14
1.7 Related NEPA Documents . . . . .	15
1.8 Public Participation and Issues Identified . . . . .	15
1.9 Recent Court Decision . . . . .	16
2.0 ALTERNATIVES CONSIDERED . . . . .	17
2.1 Reasonable Alternatives . . . . .	17
Alternative 1. Status Quo (NO ACTION ALTERNATIVE) . . . . .	18
Alternative 2: Eliminate publication of interim specifications. Issue Proposed and Final Specifications Prior to Start of the Fishing Year. . . . .	18
Alternative 3: Issue Proposed and Final Harvest Specifications based on an alternate fishing year schedule . . . . .	21
Alternative 4: Use Stock Assessment Projections for biennial harvest specifications. For the BSAI and GOA set the annual harvest specifications based on the most recent stock assessment and set harvest specifications for the following year based on projected OFL and ABC values. . . . .	22
Option A: Abolish TAC Reserves. . . . .	25
Option B: Updating Portions of the FMPs . . . . .	25
2.2 Alternatives Considered and Eliminated from Detailed Study . . . . .	26
2.3 Implementation Process . . . . .	28
3.0 AFFECTED ENVIRONMENT . . . . .	31
3.1 Status of Managed Groundfish Species . . . . .	32
3.2 Status of Prohibited Species Stocks . . . . .	38
3.3 Forage Species and Nonspecified Species . . . . .	38
3.4 Status of Marine Habitat . . . . .	38
3.5 Status of Marine Mammal Populations . . . . .	39
3.6 Seabird Species Population Status . . . . .	39
3.7 Status of Endangered or Threatened Species . . . . .	39
3.8 Ecosystem Considerations . . . . .	45
3.9 The Human Environment . . . . .	45

3.9.1	Fishery Participants .....	45
3.9.2	Economic Aspects of the Fishery .....	45
4.0	ENVIRONMENTAL IMPACTS OF THE ALTERNATIVES .....	46
4.1	Impacts on Groundfish Species .....	46
4.1.1	Retrospective evaluation .....	46
4.1.2	Simulation model .....	47
4.1.3	Results and Discussion .....	50
4.1.4	Summary of Target Species Effects .....	63
4.2	Effects on Species Prohibited in Groundfish Fisheries Harvest .....	69
4.3	Forage Species and Nonspecified Species .....	73
4.4	Effects on Marine Mammals, Sea Birds, and Species Listed as Threatened or Endangered Under the ESA, except Steller sea lions. ....	74
4.5	Effects on Steller sea lions .....	75
4.6	Effects on Essential Fish Habitat and Benthic Communities .....	80
4.7	Coastal Zone Management Act .....	81
4.8	Effects on State Managed Fisheries .....	81
4.9	Effects on the Sablefish and Halibut IFQ and Halibut CDQ programs .....	85
4.10	Effects on the American Fisheries Act Fisheries .....	87
4.11	Summary of Environmental Impacts .....	89
5.0	REGULATORY IMPACT REVIEW .....	93
5.1	Introduction .....	93
5.2	What is a Regulatory Impact Review? .....	93
5.3	Statutory authority .....	93
5.4	Purpose and need for action .....	94
5.5	The Four Alternatives .....	95
5.6	Description of the groundfish fishery .....	97
5.7	Introduction to cost and benefit analysis .....	106
5.8	Impacts on the harvest specification process .....	107
5.9	Changes in fishing year under Alternative 3 .....	116
5.10	Changes in harvests and biomass under Alternatives 2, 3, and 4 .....	127
5.11	Options to Alternatives .....	138
5.12	Summary of benefit-cost analysis .....	140
5.13	Summary of E.O. 12866 significance criteria .....	146
6.0	INITIAL REGULATORY FLEXIBILITY ANALYSIS .....	148
6.1	Introduction .....	148
6.2	The purpose of an IRFA .....	148
6.3	What is required in an IRFA? .....	149
6.4	What is a small entity? .....	149
6.5	What is this action? .....	151
6.6	Reason for considering the proposed action .....	152
6.7	Objectives of and legal basis for, the proposed action .....	152

6.8	Number and description of small entities affected by the proposed action . . . . .	152
6.9	Impacts on regulated small entities . . . . .	163
6.10	Recordkeeping and reporting requirements . . . . .	164
6.11	Federal rules that may duplicate, overlap, or conflict with proposed action . . . . .	164
6.12	Description of significant alternatives . . . . .	164
7.0	COMMUNITY IMPACTS . . . . .	166
8.0	SUMMARY AND CONCLUSIONS . . . . .	168
9.0	LIST OF PREPARERS . . . . .	173
10.0	LIST OF PERSONS CONSULTED . . . . .	173
11.0	LITERATURE CITED . . . . .	174
